Team Formation Instructions

Make a text entry submission on Canvas with team name and member information (format shown below); only one member needs to submit per team.

 ** NOTE: This assignment will be graded by a grading script--you will either get full points for following the outlined RULES and FORMAT below, or a 0 otherwise. So please read carefully!

RULES:
- Please use only **letters, digits** in your team name (NO SPACES, UNDERSCORES, OR ANY OTHER SPECIAL CHARACTERS)
- **Team names may NOT contain any personally identifiable information, especially not the student's name, ID, netID, nor any part thereof.**
- When submitting your text box entry, please use **plaintext** only. DO NOT use bold or underline or apply any other kind of formatting (ie. changing font colors, italics, ect.)

- Please follow the **exact format** shown below (an example is shown to the right):

FORMAT :   Example:

    teamName   ExampleAI
    member1_name, netID, ID#   Jane Doe, djane, 12345678
    member2_name, netID, ID#   John Doe, djohn, 87654321

    If your team has only one member, omit the third line.

Example submission as shown on Canvas:
